This is a Stargate RPG, hosted by Darr, using AEG's stargate d20 rules (see Doc or myself). Characters will be members of an on-ship deployment team, similar to an SG team back at stargate command. 28 point buy, you may play as Human, Tok'Ra, or Jaffa. "Mission Reports" will be posted here so you'll be able to catch up on missed sessions/stuff you may have forgotten.
